

Fiscal Year 2023 Early Learning Scholarships

The Early Learning Scholarship Program awards scholarships of up to \$8,500 to high-need families meeting eligibility requirements. Starting on July 1, 2020, and further revised on July 1, 2021, children in a priority status were eligible for a higher cap.

A family's income must be equal to or less than 185 percent of the federal poverty level, per the chart below, or be participating in any of the following programs: free and reduced-price lunch, Child and Adult Care Food Program (CACFP), Child Care Assistance Program (CCAP), Food Distribution on Indian Reservations, Head Start, Minnesota Family Investment Program (MFIP), Supplemental Nutritional Aid Program (SNAP), or Foster Care.

Scholarships are prioritized to first meet the needs of children of teen parents, currently in foster care, in need of child protective services, or who have experienced homelessness in the last 24 months.

The chart below is based on the poverty guidelines published in the Federal Register on January 12, 2022 and is valid for awards from July 1, 2022 through June 30, 2023.

Family Size	Gross Income	Family Size	Gross Income
2	\$33,874	6	\$68,802
3	\$42,606	7	\$77,534
4	\$51,338	8	\$86,266
5	\$60,070	9**	\$94,998

For family units of more than nine members, add **\$8,732 for each additional member.

Scholarships are available to children who are age 3 or 4 years old on September 1 of the school year the scholarship is used, or age 5 if not yet aged out of eligibility. Some children ages 0 to 2 may also qualify if they meet a priority category or if they are the younger sibling of a child with an active scholarship award and are attending the same program.

Families interested in applying should contact their area or tribal administrator listed or call 1-888-291- 9811.
